Job Posting: Emergency Veterinarian with Shareholder Opportunity

Location: Collingwood, Ontario

Are you an experienced Veterinarian with an entrepreneurial spirit? Do you have a passion for building something from the ground up, and a desire to become an owner in an independently run veterinary practice? If so, we have an exciting opportunity for you!

Founded by a board-certified Veterinary Surgeon, we are in the process of **building a brand-new, state-of-the-art Emergency and Referral Veterinary Hospital** in the beautiful town of Collingwood, Ontario. As a founding member of our team, you will have a unique opportunity to help shape the culture, protocols, and overall direction of the practice while positioning yourself to **become a shareholder** in the business. We are hoping to open our doors in late April 2026!

About Us:

We are a forward-thinking, independent veterinary practice dedicated to providing exceptional emergency and surgical care to pets in Collingwood and the surrounding communities. Our new practice will be designed with cutting-edge technology, modern facilities, and a commitment to providing a supportive, collaborative work environment for our team. We are looking for an experienced and motivated **Emergency Veterinarian** to help us bring this vision to life.

Key Responsibilities:

- Provide emergency and urgent care to a wide range of patients
- Perform emergency surgeries and diagnostic procedures. You will have access to ultrasound and endoscopy
- Help establish treatment protocols, medical standards, and operational procedures
- Work closely with the founding team to shape the culture and direction of the practice
- Build relationships with local referring veterinarians and pet owners
- Foster a collaborative, team-oriented environment from the ground up
- Play an active role in the future growth and development of the practice, with the opportunity to become a shareholder

Qualifications:

- DVM or equivalent degree fully licensed to practice in Ontario
- Minimum of 5 years experience in practice in North America as a fully licenced veterinarian
- Emergency experience is required
- We cannot support restricted license veterinarians
- A strong interest in practice development and leadership
- Excellent communication and interpersonal skills
- A passion for high-quality care and the desire to contribute to a positive team culture
- Ability to work in a fast-paced, dynamic startup environment

What We Offer:

- A competitive salary and benefits package
- The **unique opportunity** to potentially become a **shareholder** in the practice
- Opportunity to shape and define the practice's culture and protocols from the ground up
- Access to modern, state-of-the-art facilities and equipment
- Flexibility in scheduling, with a focus on work-life balance
- Ongoing professional development and mentorship
- A collaborative, supportive, and innovative work environment
- The chance to work in the beautiful Collingwood area, with access to outdoor recreation, scenic views, and a growing, tight-knit community

How to Apply:

If you're an experienced licenced Veterinarian ready to be part of something new, dynamic, and impactful, we want to hear from you! Please submit your resume and a cover letter explaining why you're excited about this opportunity and how your skills and experience will help us build the future of veterinary care in Collingwood. contact@carecollingwood.vet.
